On the Cover: Blake Tierney

Canadian backstroke star **Blake Tierney** continued his rise on the international stage this summer with a breakthrough performance at the **2026 Pan Pacific Swimming Championships** in Irvine, California. Tierney captured gold in the 100-metre backstroke in 53.18, earning the first individual international gold medal of his career and Canada's first gold of the championships. He returned to the podium in the 200-metre backstroke, taking silver in 1:56.29 and finishing the meet as the only Canadian male swimmer to win multiple medals.

The 24-year-old Saskatoon native has established himself among the world's leading backstrokers. A 2024 Olympian, Tierney holds the Canadian long-course records in both the 100-metre backstroke (52.95) and 200-metre backstroke (1:55.03), performances set at the 2025 World Aquatics Championships in Singapore.

Tierney trains at Swimming Canada's High Performance Centre – Vancouver under Head Coach Scott Talbot, where he continues to build on a remarkable progression from Canadian record holder and Olympian to international champion.

His performances at Pan Pacs provide another milestone in that progression—and make Blake Tierney a fitting choice for the cover of this edition of the **CSCA TAG Rankings**.

Congratulations to Blake and his coach Scott Talbot!

En couverture: Blake Tierney

La vedette canadienne du dos **Blake Tierney** a poursuivi son ascension sur la scène internationale cet été grâce à une performance marquante aux **Championnats panpacifiques de natation 2026** à Irvine, en Californie. Tierney a remporté l'or au 100 m dos en 53,18, décrochant ainsi la première médaille d'or individuelle internationale de sa carrière et la première médaille d'or du Canada à ces championnats. Il est remonté sur le podium au 200 m dos, remportant l'argent en 1:56,29, et a terminé la compétition comme le seul nageur canadien à avoir remporté plusieurs médailles.

Le Saskatchewanais de 24 ans s'est imposé parmi les meilleurs spécialistes du dos au monde. Olympien en 2024, Tierney détient les records canadiens en grand bassin au **100 m dos (52,95)** et au **200 m dos (1:55,03)**, des performances réalisées lors des Championnats du monde aquatiques 2025 à Singapour.

Tierney s'entraîne au **Centre de haute performance de Natation Canada – Vancouver** sous la direction de l'entraîneur-chef **Scott Talbot**, où il poursuit une progression remarquable qui l'a mené de détenteur de records canadiens et olympien à champion international.

Ses performances aux Championnats panpacifiques représentent une autre étape importante de cette progression et font de Blake Tierney un choix tout indiqué pour la couverture de cette édition des **Classements TAG de l'ACEN**.

Félicitations à Blake et à son entraîneur, Scott Talbot!

TAG RANKINGS VOL. 4

With the release of **Volume 4 of the CSCA TAG Rankings – September 2026**, we are excited to continue building on the momentum of this revitalized series and the return of some of the most celebrated elements from the original *Swim News Magazine*.

50-Deep Long Course Rankings

Following the return of the 50-deep Short Course rankings in Volume 2, Volume 4 brings the format to **Long Course for the first time**.

A hallmark of the original *Swim News* rankings, the 50-deep format provides a meaningful look at both excellence and depth within each event and age group. With Short Course rankings published in the spring and Long Course rankings in the early fall, we are continuing the tradition of providing two comprehensive snapshots of Canadian swimming each year.

Club Scoring – A Changing National Landscape

Club scoring returns for the second time, and the move from Short Course to Long Course produced plenty of movement. Compared with the Short Course standings published in Volume 2, there were significant changes throughout the Top 30, including a new overall team champion. In total, an impressive 201 Canadian clubs scored at least one point in the Long Course rankings.

Team scores are calculated using a 50-deep scoring system, with 50 points awarded for first place through to one point for 50th place. Points are accumulated across the 12 & Under, 13–14, and 15–17 age groups, with the Open category excluded from team scoring.

Making Waves

Making Waves returns in Volume 4, highlighting notable performances, emerging athletes, and stories that stand out from the rankings. Beyond times and placements, this feature gives us an opportunity to recognize some of the athletes and programs making an impact across the country.

Continuing to Build

With four volumes now published, the CSCA TAG Rankings continue to evolve. Our goal remains to create something that celebrates the history and tradition of Canadian swimming while providing today's athletes, coaches, clubs, and swimming community with a new way to follow the sport.

From the **50-deep individual rankings** to **Club Scoring** and **Making Waves**, Volume 4 once again celebrates not only the athletes at the very top of the rankings, but the incredible depth of Canadian swimming from coast to coast.

Classements TAG

VOL. 4

Avec la publication du **Volume 4 des Classements TAG de l'ACEN** – septembre 2026, nous sommes heureux de poursuivre sur la lancée de cette série revitalisée et de ramener certains des éléments les plus appréciés du magazine original Swim News.

Classements en grand bassin – Top 50

Après le retour des classements en petit bassin jusqu'au 50e rang dans le Volume 2, le Volume 4 présente ce format en grand bassin pour la première fois.

Élément emblématique des classements originaux de Swim News, le format Top 50 offre un aperçu significatif à la fois de l'excellence et de la profondeur dans chaque épreuve et chaque groupe d'âge. Avec les classements en petit bassin publiés au printemps et ceux en grand bassin au début de l'automne, nous poursuivons la tradition d'offrir chaque année deux portraits complets de la natation canadienne.

Classement des clubs – Un paysage national en évolution

Le classement des clubs est de retour pour une deuxième fois, et le passage du petit bassin au grand bassin a entraîné de nombreux changements. Comparativement au classement en petit bassin publié dans le Volume 2, des changements importants ont été observés dans l'ensemble du Top 30, notamment avec un nouveau club champion au classement général. Au total, un impressionnant nombre de 201 clubs canadiens ont obtenu au moins un point dans les classements en grand bassin.

Les pointages des clubs sont calculés selon un système de classement jusqu'au 50e rang, avec 50 points accordés pour la première place et un point pour la 50e place. Les points sont cumulés dans les groupes d'âge 12 ans et moins, 13–14 ans et 15–17 ans, tandis que la catégorie ouverte est exclue du classement des clubs.

Making Waves

Making Waves est de retour dans le Volume 4 et met en valeur des performances remarquables, des athlètes émergents et des histoires qui se démarquent dans les classements. Au-delà des temps et des positions, cette rubrique nous donne l'occasion de souligner certains des athlètes et des programmes qui se distinguent partout au pays.

Poursuivre notre évolution

Avec maintenant quatre volumes publiés, les Classements TAG de l'ACEN continuent d'évoluer. Notre objectif demeure de créer une publication qui célèbre l'histoire et la tradition de la natation canadienne tout en offrant aux athlètes, aux entraîneurs et entraîneuses, aux clubs et à l'ensemble de la communauté de la natation d'aujourd'hui une nouvelle façon de suivre notre sport.

Des classements individuels jusqu'au 50e rang au classement des clubs et à Making Waves, le Volume 4 célèbre une fois de plus non seulement les athlètes qui occupent les premières places, mais aussi l'incroyable profondeur de la natation canadienne d'un océan à l'autre.
