April 2026

Rankings for period (results available) September 1 to March 31, 2026

The new

Vanquisher^{3.0}

Speedo's #1 training goggle.

Re-designed with women in mind.

On the Cover: Alexanne Lepage

Alexanne Lepage has quickly established herself as one of Canada's premier swimmers, and her recent performance at the USPORTS Swimming Championships in Markham, Ontario was a powerful statement of her continued rise.

Competing for the University of Calgary Dinos, Lepage delivered a historic meet, sweeping the 50m, 100m, and 200m breaststroke titles while setting new Canadian and U SPORTS records in both the 50m and 100m breaststroke.

Lepage's success in Markham is the latest chapter in an already remarkable international career. In 2023, she captured double gold at the World Aquatics Junior Swimming Championships in the 100m and 200m breaststroke, along with a silver medal as part of Canada's 4×100m medley relay. She carried that momentum into the senior ranks in 2024, making her debut at the World Aquatics Swimming Championships (25m) in Budapest, where she earned her first senior world medal as part of Canada's bronze medal-winning 4×100m freestyle relay. She also posted a personal best in the 200m breaststroke, finishing 13th, and placed 17th in the 50m breaststroke.

Congratulations to Alexanne and her coach Mike Blondal!

En couverture : Alexanne Lepage

Alexanne Lepage s'est rapidement imposée comme l'une des meilleures nageuses du Canada, et sa récente performance aux Championnats de natation U SPORTS à Markham, en Ontario, a constitué une démonstration éclatante de sa progression continue.

Représentant les Dinos de l'Université de Calgary, Lepage a connu une compétition historique, remportant les titres du 50 m, du 100 m et du 200 m brasse, tout en établissant de nouveaux records canadiens et U SPORTS au 50 m et au 100 m brasse.

Le succès de Lepage à Markham s'inscrit dans la continuité d'une carrière internationale déjà remarquable. En 2023, elle a remporté deux médailles d'or aux Championnats du monde juniors de natation de World Aquatics au 100 m et au 200 m brasse, en plus d'une médaille d'argent au sein du relais 4 × 100 m quatre nages du Canada. Elle a poursuivi sur cette lancée chez les seniors en 2024, faisant ses débuts aux Championnats du monde de natation (25 m) de World Aquatics à Budapest, où elle a décroché sa première médaille mondiale senior en contribuant à la médaille de bronze du relais 4 × 100 m nage libre du Canada. Elle a également établi un record personnel au 200 m brasse, terminant au 13e rang, et a pris la 17e place au 50 m brasse.

Félicitations à Alexanne et à son entraîneur Mike Blondal!

TAG RANKINGS

VOL. 2

With the release of **Volume 2 of the CSCA TAG Rankings**, we are excited to continue building on the momentum of this revitalized series while reintroducing some of the most celebrated elements from the original *Swim News Magazine*.

This edition brings back features that many in the Canadian swimming community will remember fondly — and that newer generations will now experience for the first time. In Vol. 2 you will find the return of **50-deep rankings**, **Club scoring**, and **Making Waves**, all designed to provide a more complete picture of swimming performance across the country.

50-Deep Rankings

A hallmark of the original rankings, the 50-deep format offers a meaningful look at both excellence and depth within each event and age group. As with the original *Swim News* version the 50-deep short course rankings are being released in April with the plan for Long Course in the early Fall.

Team Scoring Returns

For many years, the April and October editions of *Swim News Magazine* were must-reads, not only for the individual rankings, but for the **team standings** that provided a fascinating snapshot of the national landscape. These rankings highlighted the depth, development, and competitive strength of clubs from coast to coast — and this year **over 200 clubs** scored points!

For the CSCA TAG Rankings, team scores are calculated using a scoring system of **50 points for 1st place through to 1 point for 50th place**. Points are accumulated across the 12 & Under, 13–14, and 15–17 age groups, with the Open category excluded from scoring.

A reminder that these rankings and team scores are only for meets completed and available between September 1, 2025, and March 31, 2026.

Making Waves

Also returning in this edition is **Making Waves**, a feature designed to spotlight notable performances, emerging athletes, and standout stories from across the rankings. This section adds important context to the data, celebrating the individuals and programs that are driving the sport forward.

As TAG Rankings continue to evolve, our goal remains to provide a platform that not only tracks performance but also tells the story of swimming in Canada — recognizing excellence, depth, and the collective strength of our clubs and athletes.

Classements TAG

VOL. 2

Avec la publication du **volume 2 des classements TAG de l'ACEN**, nous sommes ravis de poursuivre sur l'élan de cette série relancée, tout en réintroduisant certains des éléments les plus marquants du magazine original Swim News.

Cette édition remet en valeur des composantes que de nombreux membres de la communauté canadienne de la natation se rappelleront avec enthousiasme — et que les nouvelles générations découvriront pour la première fois. Dans ce volume 2, vous retrouverez le retour des **classements jusqu'à la 50e place, du pointage des clubs** et de la section **Making Waves**, le tout conçu pour offrir un portrait plus complet de la performance en natation à l'échelle du pays.

Classements jusqu'à la 50e place

Élément emblématique des classements originaux, le format jusqu'à la 50e place offre une vision significative à la fois de l'excellence et de la profondeur dans chaque épreuve et chaque groupe d'âge. Comme dans la version originale de Swim News, les classements en bassin de 25 m (courte distance) jusqu'à la 50e place sont publiés en avril, avec les classements en bassin de 50 m (longue distance) prévus au début de l'automne.

Retour du pointage des équipes

Pendant de nombreuses années, les éditions d'avril et d'octobre du magazine Swim News étaient incontournables, non seulement pour les classements individuels, mais aussi pour les **classements des équipes**, qui offraient un aperçu fascinant du paysage national. Ces classements mettaient en lumière la profondeur, le développement et la force compétitive des clubs d'un océan à l'autre — et cette année, plus de **200 clubs** ont accumulé des points!

Pour les classements TAG de l'ACEN, les scores des équipes sont calculés selon un système attribuant 50 points à la 1re place jusqu'à 1 point à la 50e place. Les points sont cumulés dans les groupes d'âge 12 ans et moins, 13–14 ans et 15–17 ans, la catégorie ouverte étant exclue du pointage.

Rappelons que ces classements et ces pointages d'équipe tiennent uniquement compte des compétitions complétées et disponibles entre le 1er septembre 2025 et le 31 mars 2026.

Making Waves

Cette édition marque également le retour de la section **Making Waves**, conçue pour mettre en valeur des performances marquantes, des athlètes émergents et des histoires inspirantes issues des classements. Cette section apporte un contexte essentiel aux données en célébrant les personnes et les programmes qui font progresser le sport.

À mesure que les classements TAG évoluent, notre objectif demeure de proposer une plateforme qui non seulement suit la performance, mais raconte aussi l'histoire de la natation au Canada — en reconnaissant l'excellence, la profondeur et la force collective de nos clubs et de nos athlètes.
